

# SUNLAND WATER DISTRICT

## Commissioners Meeting

May 2012

### Manager's Report by Mike Langley

---

### Financial Report by Celeste Lilley

#### Water Reclamation Facility

- The new Facility Plan is at the Department of Ecology for their review and approval.
- The Crop Management and Irrigation Plans are very nearly complete.
- The three new monitoring wells will be constructed **this** Thursday and Friday, May 10<sup>th</sup> & May 11<sup>th</sup>, 2012. Hydro geologist, John Stormon of WSDOE, will be on-site for documentation and approval of any change orders in placement or depth.
- The main lift station control panel replacement work has been **completed!!**
- The Raptor Micro-strainer is here **today!!**

#### Meter Setters

- Meter setters are being installed on Sunset Place, Hogan's Vista, Taylor Blvd, and in Divisions 11 and 16.

#### Consumption Meters

- Readings from our water meters on occupied single family residential lots in Sunland are averaging 136 gallons per connection per day, compared to an annual consumption of 204. The SG&CC facility has averaged 1377 gallons per day over the last 30 days, compared to an annual average daily consumption of 1014 gallons.

#### **Outreach/Funding/Partnerships**

- Should/Can 2014 PWTF application be withdrawn or amended?

#### **Regarding Other Issues**

- Mike Langley may be attending a WASWD workshop in Kenmore on June 6, 2012. "Fiscal Policy & Policy Management."
