

SUNLAND WATER DISTRICT

Commissioners Meeting

October 19, 2021

Manager's Report by Brian Scott

~~~~~  
~~~~~

Financial Report by Karen Shay

Water Reclamation Facility

- Rich is working with Scott on putting in a new test site in the system part of the new coliform plan.
- Biosolids hauling for the month 22000 @2.8% solids for the month.
- Willy and Rich moved the fence for the road project at Woodcock and Sequim Dungeness Way.
- Completed quarterly and yearly Bio solids Report.
- Winterizing equipment at the plant.

Water Production/Consumption Results

- The next total water meter read will be the first week of November.
- The water level in both wells is better with the low production.
- Total water production numbers continue to appear lower. We are continuing to look for leaks.

Other

- SWD staff is working with Matt with Grundfos on the PRV and check valves in the reservoirs.
- Sam and Rocky will be taking an online class at the end of October in prep for the WDM test the first week in November.

- SWD has been working with Bob Eichhorn, SLOA'S greenbelt person, on the line that services the main entrance to Sunland. This involves 136/134 Sunset Place. I think SLOA and the homeowners have worked it out.
- SWD is still waiting for PUD at main lift station. The new ship date is November 10-12.
- Straits Electric for generator at lower reservoir is coming in at \$102,000.00 - \$112,000.00 plus tax. 34 to 36 weeks delivery which puts it out till about June 2022.
- Joe Backman from Smith & Loveless is working on a proposal for lift station #4 (highway lift).
